

Mornington Peninsula Shire Online Mapping

Explore your local area with our Online Maps Tool.

There are different maps covering different themes.

[General](#) – Find the nearest shire facilities to your address, your next waste collection day or view aerial imagery of your property.

[Planning](#) – Find planning information that affects your property.

[Assets](#) – View shire infrastructure near your property.

[Aerial](#) – View historical and current aerial imagery of the shire.

HOW TO USE

Below are the instructions for using our online maps.

- Use the address search to zoom to your property. Useful information will appear on the left of the map. For more information you can use the links in the information which will take you to other shire website pages.
