Dear Resident,

TRAFFIC SIGNALS - BONEO RD, BESGROVE STREET AND ALLAMBI AVE

Back in February 2020 we let you know traffic signals were planned for the above intersection.

Well, work is about to begin!

We have approval from the Department of Transport and work will start in March 2021. It should take about 12 weeks to finish.

The work is pretty much the same as what was outlined in the plans we put up on our website back in October 2020 – with one exception. The Boneo service road exit has been moved further away from the Allambi Avenue intersection. This is so public buses can safely manoeuvre from the service road into the Boneo Road right turn lane before entering Besgrove Street.

This will all make more sense if you take a look at our website here:

mornpen.vic.gov.au/boneoroad

In other good news – you asked for more footpaths and we listened...

A key theme of the feedback we got from residents was that you wanted more footpaths in residential streets.

The Mornington Peninsula Shire has some funding through the Australian Government's Local Roads and Community Infrastructure Program to build a footpath on Illaroo Street, between Eastbourne Road and the shops.

This footpath will make the street safer and easier to use and should be finished by the end of 2021.

If you would like any more information about any of this, please email or call our Infrastructure Customer Service Team:

Email: trafficrequests@mornpen.vic.gov.au Telephone: 03 5950 1048

Sincerely,

Yawa Aquatic Centre Project Team
