

Gender Equality Strategy 2020-30

Preventing violence against women and their
children

**ANNUAL ACTION PLAN – YEAR THREE
2022/2023**

Mornington Peninsula Shire acknowledges and pays respect to the elders, families and ancestors of the Bunurong/Boon Wurrung people, who have been the custodians of this land for many thousands of years. We acknowledge that the land on which we meet is the place of age-old ceremonies, celebrations, initiation and renewal; and that the Bunurong/Boon Wurrung peoples' living culture continues to have a unique role in the life of this region.

The Gender Equality Strategy was adopted by Council on 26 November 2019.

Background

This Annual Action Plan outlines how the Mornington Peninsula Shire will work in partnership with key stakeholders and community members to operationalise **year three** of the Gender Equality Strategy ('the Strategy') 2020-30, as legislated under the *Victorian Gender Equality Act 2020*. Implementation and evaluation of the Strategy is overseen by the Mornington Peninsula Shire Health and Wellbeing Committee.

The Strategy is presented under six key settings that align with the Victorian Gender Equality Strategy:

- **Key Setting 1** – Education and Training
- **Key Setting 2** – Work and Economic Security
- **Key Setting 3** – Health, Safety and Wellbeing
- **Key Setting 4** – Leadership and Representation
- **Key Setting 5** – Sport and Recreation
- **Key Setting 6** – Media, Arts and Culture

To enact the Shire’s commitment to these themes, the Strategy outlines the following elements:

- **Objectives** – long-term outcomes that the Shire aspires to achieve.
- **Strategies** – short- to medium-term approaches aimed at supporting achievement of the goal.

This Action Plan operationalises year one of the Strategy by detailing:

- **Progress Measures** – Specify how to measure that the action has been operationalised.
- **Timelines** – Specify end dates for progressing the action within year one.
- **Stakeholders** – Specify partners to be involved in operationalising the action.
- **Status** -
