PENINSULA PATHLINKS

## Melbourne Road Trail

A casual 15 kilometre off-road path that can be enjoyed at all times of the year. The Melbourne Road trail takes you from Rye through to Portsea where you can enjoy a picnic or barbeque on the Foreshore.

- This path is suitable for beginners
- The trail surface is exposed aggregate making this flat trail suitable for most pathway users.
- Approximate time to complete trail; walking - 3hrs 45 mins, riding - 45 mins
- Drinking water is not available at all stops, please carry it with you.
- Melway Ref: 168 E5 156 G2
- [www.mornpen.vic.gov.au](http://www.mornpen.vic.gov.au) or phone 1300 850 600

- 1 R.J. Rowley Reserve**  
The R. J. Rowley Recreation Reserve is the main active sports ground in the area of Rye.
- 2 Stringer Rd Reserve**  
Blairgowrie backs onto the Mornington Peninsula National Park, often referred to by locals as the Back Beach. Bridgewater Bay, Pirates Bay, Pearse's Beach and The Bridge are some of the focal points along the Bass Strait coastline.
- 3 David MacFarlan Reserve**  
The David MacFarlan Reserve in Sorrento, provides an oval for sporting activities.
- 4 Sorrento Peir**  
Sorrento has a resort style setting and the historic town has much to offer, the limestone buildings in and around the town provide a warm and intimate setting. You can also catch the Car and Passenger Ferry from here to Queenscliff
- 5 Sorrento Park**  
Enjoy a BBQ in the historic Sorrento Park with its adventure playground and magnificent trees and views.
- 6 Portsea Foreshore** - Portsea is the most westerly settlement on the Mornington Peninsula and is well known for its fine bay and long surf beaches, tea tree bush setting, many coastal walks and beautiful ocean outlooks.
- 7 Mornington Peninsula National Park (Point Nepean Park)** Mornington Peninsula National Park at Point Nepean offers a Visitors Centre, BBQ and picnic area. Point Nepean also offers many ruins, old concrete bunkers, the old Quarantine Station and the Fortifications.
