

# Application to Amend a Planning Permit Under Secondary Consent

Please note this application form can only be used to amend minor modifications to previously endorsed plans. The proposal cannot transform the permit to a use or development that was not previously considered and approved. Amendments to permit conditions or major changes to the endorsed plans must be applied for under Section 72 of the Planning & Environment Act 1987

**Supplementary information requested in this form should be provided as an attachment.**

**Privacy notice** – All information collected as part of this permit application will be available for public inspection in accordance with Section 51 of the *Planning and Environment Act 1987*. If you fail to provide this information, your application may not be processed. The information collected about you as part of the planning permit process will be made available at your request

## Does the proposed amendment:

- Alter any of the original permit conditions and/or alter the original permit description
- Propose changes that would require advertising and/or result in a transformation of the approved permit
- Conflict with the approved permit description and/or conditions

**If you have ticked any of the above boxes please apply to amend the planning permit via a Section 72 Amendment form.**

**Note:** During Council's assessment of this Secondary Consent amendment, if the proposed changes to the plans vary any of the above elements your application may be refused or significantly delayed, as a Secondary Consent application is the incorrect application pathway eg. varying screening that potentially increases overlooking.
