Beleura Hill Preschool offers both 3 and 4 year old preschool programs. Our experienced teaching team provide a warm and nurturing play based program, with a focus on wellbeing and mindfulness. We are partnered with a local aged care facility and offer an Intergenerational Music and Art Program for our 4 year old students. Our outdoor classroom is large and leafy with lots of opportunities for learning about and appreciating nature. We strive to teach children and engage families in sustainable practices and have a successful aluminum recycling program.
