About the Street Team

Qualified youth workers set up a range of fun, free, supervised activities around the Mornington Peninsula for young people aged between 10 – 17 years. Activities include sports, art and craft, music and games. Street teams can also provide a range of information on activities and programs that are available for young people within the community and refer them to specialist support services if needed.

Activities and Drop In

Activities (including Drop In) are for young people aged 10 – 17, and will be open between 10am – 1pm and 1.30pm – 5pm throughout the holidays. We've got heaps on offer, including electronics, board games, art, wifi, and sports. Best of all, it's completely free!

Bookings are not required for activities (including Drop In), however all young people must register their details before attending any activity. An online registration form can be found on our website, and once completed, will not have to be completed again for 12 months.

We're running two excursions these holidays:
