Animal Registration 2021

The State Government has made significant amendments to the Domestic Animals Act 1994 in relation to the keeping of 'RESTRICTED BREED DOGS'.

A 'RESTRICTED BREED DOG' means a dog of a breed whose importation into Australia is prohibited under the Customs (Prohibited Imports) Regulations 1956 of the Commonwealth.

These breeds include: Dog Argentino, Fila Brasileiro, Japanese Tosa, American Pit Bull Terrier, Pit Bull Terrier, Perro de Presa Canario and Presa Canario.

A declaration is required stating that the breed of the dog has been correctly identified by the owner.

By lodging this application to register, I declare that all information provided is, to the best of my knowledge, true and correct. If I am registering a dog I declare it has been correctly indicated on this application as to whether they are, or are not, a restricted breed or has been declared menacing or dangerous.

I understand it is an offence to provide false information and penalties apply.

I understand that this registration is valid until 10 April 2022, at which time I am required to pay the registration renewal provided by council.
