HOW DO I KNOW IF I MAY BE ELIGIBLE FOR A PERMIT TO BURN?

- That the land is in a designated bushfire risk area
- That the burn off is strictly for fire prevention purposes only
- The ability of the landowner to remove the vegetation via more appropriate methods
- The proximity to neighbouring assets and property
- The risk of smoke nuisance

Landowners who are unsure as to their eligibility should contact the Shire's Customer Service team on 1300 850 600 or 5950 1000 before submitting a permit to burn application.
