We will also be holding our favourite evening and weekend classes at Somerville Recreation Centre.

The pop-up timetable will be released following the Christmas timetable and will commence once it begins operation.

Membership FAQ – Closure of Pelican Park Recreation Centre

Will GOswim lessons continue during the closure?

GOswim lessons will continue at Crib Point Pool and Yawa Aquatic Centre. Where possible, lesson days and times will match those transitioning from Pelican Park Recreation Centre. To assist the team in scheduling classes, please advise a member of our ASO team at your next lesson your preferred location for 2025 lessons.

Will I still have my regular GOswim lesson when the Centre reopens?

We anticipate that classes will resume as normal, existing members will have priority to resume classes.

Will Aqua Classes continue during the closure?

Yes. Aqua Classes will continue at both Crib Point Pool and Yawa. Please contact Pelican Park Recreation Centre by emailing pelicanpark@belgravialeisure.com.au or calling 03 8727 8980 for further details.

Can I suspend my membership free of charge?

Yes. We will send communication to all members in December, where you can click on a link to suspend your membership free of charge over the closure period. Alternatively, our Pelican Park Recreation Centre staff will be able to help you onsite.

The same option will be available to suspend your Health & Wellness membership from the gym closure date.

Adequate warning will be provided to recommence payments prior to the reopening.
