Mobility Map
 Mornington Peninsula
Rosebud

Introduction

Mornington Peninsula Shire is committed to planning for improved access for older, less mobile and/or people living with disabilities.

This mobility map has been produced by the Mornington Peninsula Shire to assist electric scooter and wheelchair users to have access to healthy places and spaces, and participate in their local community.

The maps include accessible information such as where the main shopping areas are located, car parks, accessible toilets, accessible bus stops, taxi ranks and police stations and recharge points.

Accessible footpath routes are identified on the map to help electric scooter and wheelchair users to plan a safe trip.

Western Retail Precinct

Plan ahead for a safe journey

- Familiarise yourself with the accessible footpaths in your area. Only travel on the road where a continuous path of travel is not available.
- When crossing the road, look for a pedestrian crossing or a place that has easy access with the footpaths directly opposite each other.
- Familiarise yourself with where the Scooter RECHARGE Points are located on your journey.
- Carry a personal identification card with information such as your emergency contact details, physical and medical information, the name of your doctor, etc.
- Take a mobile phone with you in case of an emergency.

About Rosebud

Rosebud is a tranquil seaside town nestled between the lower slopes of Arthurs Seat, and the shores of Port Phillip Bay on the Mornington Peninsula. It is located approximately 75 km south-east of Melbourne's CBD and is the largest commercial centre on the southern peninsula.
