Council's Community Investment Funding Grants Program Guidelines

Introduction

The Mornington Peninsula Shire Council (the Council) re-adopted the Community Investment Funding Policy and Framework in May 2025 to continue to invest in our community through grants, subsidies, sponsorships and the Mornington Peninsula Community Charitable Trust. Community Investment Funding (CIF) supports local organisations and community groups to deliver essential services, programs, community events and festivals to increase civic participation and strengthen community cohesion. Funding empowers local volunteering community-led projects that can make a real difference to responding to community needs across our villages.

The programs are aligned to themes within the Community Vision and the strategic directions of the **Council Plan 2025–2029, Our Place, Our People and Our Prosperity**.

Our Place Celebrate, protect and enhance our unique blend of coast, hinterland, green wedge and connected villages and townships.

Our People A safe, accessible, inclusive and engaged community that fosters our diverse culture, supporting health and wellbeing and a connected and compassionate society for all.

Our Prosperity Enabling balanced growth through innovation, empowering community groups and volunteers and fostering a resilient, thriving and vibrant local economy.
