

Resource Recovery Centres 2023/2024

These fees and charges apply from 1 July 2023. ABN 53 159 890 143
 Prices includes EPA Landfill Levy
 All Rates are inclusive of GST

Please note that fees and charges have increased due to:

- **Significant increase in disposal costs for some materials**
- **Increase in the landfill levy of \$20 per tonne (as per State Government’s ‘Recycling Victoria- a new economy’ policy), and**
- **Annual contract adjustments**

Sort Your Load

Before your trip to the Resource Recovery Centre, you can save time and money by sorting your load. Gather the same materials together and separate recyclables from non-recyclables so staff can easily identify the ‘no charge’ recyclable items. Hidden ‘no charge’ recyclables will incur waste disposal costs.
