2. Ensure that Council receives your objection by the due date shown on the notice. Council will send you an acknowledgement letter once they have received your objection.
3. This form is to help you make an objection to an application in a way which complies with the *Planning and Environment Act 1987* (PE Act). There is no requirement that you use this form. However, the PE Act does state that:
 - An objection must be made to the responsible authority **in writing stating the reasons for the objection and stating how the objector would be affected by the grant of the permit.**
 - The responsible authority may reject an objection which it considers has been made primarily to secure or maintain a direct or indirect commercial advantage for the objector.
