8	Q3	ComCap25/26-054	Local Area Community Capital Infrastructure Grants	Tanti	Alexandra Park Project Inc	Asphalt Car Park	The ongoing dust and loose gravel around the pavilion continue to create maintenance challenges and safety concerns. Without asphaltting, Council will face recurring annual costs to replenish gravel and repair potholes, making the current surface an inefficient long-term solution. Sealing the area with asphalt will significantly reduce these maintenance expenses and provide a durable, low-upkeep surface.	\$ 16,000.00
9	Q3	ComCap25/26-031	Local Area Community Capital Infrastructure Grants	Tanti	Peninsula Raiders Football Club	Alex Park Behind Goals Netting Southern E	The goal posts at the southern end of the oval currently have no protection for stopping footballs being kicked onto Hampden Street. Proposed 10m high netting at the back of the goals to prevent this from happening and ensure the safety of volunteers and the public.	\$ 20,000.00
