How to use this board

This board has been created in recognition of the many children and adults who have communication support needs and benefit from more than words. Use the words on this board to talk together:

- Send a message - point to the symbols when you talk, for example **'you went fast'**, **'where will you go?'**, or **'uh oh!'**
- Give time for a 'yes' or 'no' response
- Take turns using the board and encourage others to use it too

Everyone can communicate!
