

Volunteers from all walks of life

EdConnect Australia trains and supports volunteers to work in local schools to provide a safety net for young people who might otherwise struggle to realise their potential - in school and life.

We offer two volunteering roles:

MENTORING

Provide one-on-one support to a student to improve their emotional and social wellbeing as well as their academic performance.

CLASSROOM LEARNING SUPPORT

Provide general support within the classroom such as reading, numeracy skills or assist with various school projects under the teacher's guidance.
