

I would be absolutely lost and depressed without the service.

It enhances my life.
I'm always treated with respect and friendliness.

Funded by local, Victorian and Commonwealth Governments

Mornington Peninsula Shire acknowledges and pays respect to the Bunurong people, the Traditional Custodians of these lands and waters. We are committed to the cultural safety of older people of Aboriginal and Torres Strait Islander, culturally and linguistically diverse and LGBTQIA+ backgrounds.

Community transport

Keeping you connected

Community Care Team

Remaining socially connected and physically active is important to maintaining your quality of life.

Community Transport provides a range of services to support the health and wellbeing of residents, targeting people most in need of transport and social support.

We can provide assistance to help you access the community, offering a safe and social door-to-door service.

Dial A Bus

Dial A Bus offers a number of regular timetables to assist residents to access key services and facilities within their local community.

Morning trips collect residents from their homes and drop them to any location within the service area. Return trips commence in the early afternoon.

Popular drop off locations include:

- Shopping centres
- Libraries
- Recreation facilities
- Social clubs/groups

“

Dial A Bus has reduced my isolation and given me the freedom to access my community.

”

“

Wonderful asset, gives me time for my own activities.

Marvellous for my independence and social connection.

Outings and Excursions

Outings and Excursions is a monthly service to places and events of interest for older people and/or people with a disability.

A service fee is charged for outings and entry fees or lunch are at the passenger's own expense. Examples of outings include trips to galleries, towns, markets and gardens.

Health Access Transport

The Health Access Transport service connects residents to medical appointments.

The service picks residents up from their home, drops them off at the appointment, then collects them for the return journey.

The service is limited to medical appointments only, not medical treatments or procedures.

Common drop-off locations include:

- General Practitioners
- Hospitals
- Medical Specialists
- Podiatrists
